Dear Students, Parents and Carers,

Re: A-Level Geography Revision guides

As you are aware your son/daughter is studying for their A-Level in Geography following the AQA specification.

We strongly recommend that all students purchase the AQA A-Level revision guide- it covers all of the content students need to know for their end of topic assessments, mock exams and final A-level exams. This guide also contains a wide range of exam practice questions and model answers.

The revision guide we offer is the '**New A-Level Geography: AQA Year 1 & 2 Complete Revision & Practice**', which costs £9 if purchased through the college (£19.99 RRP).

Should you wish to purchase this guide, please make the payment of £9 on ParentPay by Friday 29 September 2017. We will then hand out the books in lessons soon after this.

Yours Sincerely

Mr J Haines
