#### Frome College Library

It is the **BIG Read** next week. Reading related activities will be held every day in tutor time. Theme of the week is 'Ambition'. For further details contact [Leanne.Casey@fromecollege.org](mailto:Leanne.Casey@fromecollege.org)

#### Reminder that students have limited use of mobile phones in the College

This step was taken to improve safeguarding, and help prevent students using social media or texting which can be detrimental to their wellbeing. Mobile phones maybe brought to College; we understand they are important for parents/carers to be able to contact their child before or after the College day. Students are not allowed to use their mobile phones during the College day for any reason, including contacting parents and carers. We expect all contact with home to go through Student Services and avoid disruption to lessons. If students use their mobile phone during the day, it will be confiscated until an adult can come to College to collect and sign for it.
