### Important information to assist the completion of the In-Year application form

The Midsomer Norton Schools Partnership Trust is the Admissions Authority responsible for all admission decisions in connection with the schools. The Trust has delegated the decision making process to the governing body of the individual schools. The In-Year application form is designed to ensure that applying for a place at the school is made as simple and straightforward as possible and that applicants are only asked to provide information essential to the decision making process. An electronic copy of this form can be downloaded from the school website.

You may hand-deliver your application to the school office, or send it to the school by post or email attachment. Applications should be addressed to Admissions at the relevant school.

Further help with the understanding or completion of this form is available from the school office.

Please read the following information carefully before completing your application:

- Complete this application form only if you are applying for a child to start at the school **during** the academic year.
- A separate application must be submitted for each child that you would like to join the school roll.
- Before submitting, check that you have provided all the required information and **signed and dated** your application.
- Some schools also require a **supplementary information form** to be completed. See the schools list at the end of this form for further information.
- Depending on the information you provide, it may be necessary for the Admissions Committee to discuss your requirements with you in more detail, or to request additional information to support your application. Please ensure that your contact details are entered correctly.
- The Admission Authority's decision will be notified to the applicant within 10 school days and confirmed in writing, within 15 school days of receipt of the application form.
- You are encouraged to refer to the school's Admission Arrangements published on their website before completing your application form.
- The governors support Fair Access for all children. Where they are unable to provide a school place, an application may be referred to the Local Authority in order that a suitable alternative school place can be identified without delay.
- If your application is unsuccessful, you have the legal right to appeal against the Admission Authority's decision.
