

11th November 2024

Dear Year 11 students and their Parent/carer

Applications to join our Sixth Form in September in 2025 are now open on Frog.

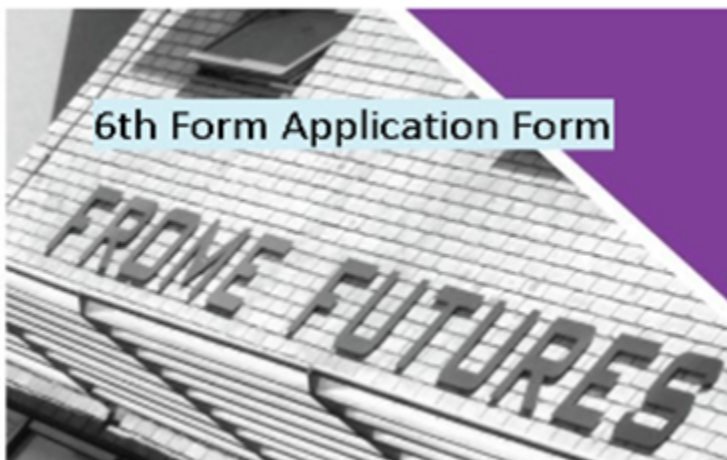

I welcome applications from all Year 11s to join our Sixth form, we have a broad range of over 30 subjects on offer. These subjects are taught by the teachers who have supported you or your child since Year 9 and I am proud to share that our Sixth Form students produce some of the best results across the Midsomer Norton Schools Partnership.

I would also like to invite students to our Sixth Form Options afternoon, this is on 5th December from 3.30pm to 5.30pm. Teachers will be in their classrooms and students are welcome to ask any questions they have about the subjects they are interested in. I will publish the rooming information on ClassCharts as a homework assignment closer to the time.

Apply here on the student dashboard on Frog:

Then here:

Then here:

Post16 Online Option Choice Selection

Your Edval log in details will be displayed on your Frog dashboard which you can then copy and paste.

Once logged in, you can choose your pathway. For most this will be 'Main 2025'. If you would like to apply for our World of Work Level 2 work skills qualification then it's WoW 2025. Finally, the T-level in Children's Education is T-Level 2025.

Core maths only appears in option 4 as you choose it alongside three other full Qualifications.

Once you have applied you will hear from me either inviting you for interview during tutor time, if I want to discuss your options with you, or to offer a place.

The deadline for applications is the 1st March 2025, but please apply as soon as you know the subjects you'd like to apply for.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Andrew", with a long horizontal flourish extending to the right.

Andrew Davies  
Head of Sixth Form

Part of the Midsomer Norton Schools' Partnership
