

20th January 2025

Dear Parents, Carers and Students,

Thank you for your patience last week and today with the external disruption we have experienced to our IT systems. Services are gradually returning to normal today and we hope by tomorrow morning everything will have settled down. From April we are moving to a cloud based management system which significantly reduces the risk of this happening again. Apologies for all the inconvenience caused.

Alice In Wonderland College Production

A reminder about Alice in Wonderland tickets which are selling fast, our opening night is Wednesday 5th February and the show runs for three nights. To support the show, we are selling raffle tickets which can be purchased on the night, thank you to everyone who has donated a raffle prize. Any further donations for the raffle prizes would be very much welcomed – please leave them with our main reception.
