

Easter Revision Conference

7th -17th April 2025

Year 11 Information Booklet

Contents

1. The Easter Revision Conference
2. Why revise?
3. The Programme
4. How to book and important information
5. 'Ace your Exams' workshop

The Easter Revision Conference

During the Easter break, Frome College are pleased to offer a varied programme of revision sessions to students in years 10, 11 and 13.

This booklet focuses on the sessions available to year 11 students.

The Easter Revision conference is provided free of charge to all students.

We encourage and expect all students to attend at least two sessions over the course of the conference. We highly recommend students book the 'Ace your Exams' workshop on the 7th of April. This is a comprehensive guide on how to revise and execute exams for the best possible results. 'Ace your Exams' counts as one revision session.

Use this guide to prepare for the revision conference and as a reminder of how to book sessions and where to find the important information.

For any further information or any questions, please contact:

Mrs Franklin JFranklin@fromecollege.org.uk (E11)

Mrs Owsley NOwsley@fromecollege.org.uk (Library)

Why is revision important?

We know that the next few months may feel daunting. After all, you have been working since your first year in school towards these exams and it is normal to feel worried and to want to do your best. Revision is a guaranteed way to help you feel less anxious, more prepared and face your exams with more confidence.

There are many ways to revise but there are some tried and tested ways to help you retain the information you'll need over the coming weeks. The 'Ace your Exams' workshop will help you with some revision strategies and many of you have been learning different ways to study independently in your subject classes.

Most GCSE courses are 2 years long and some are 3. During this time, it is inevitable t

Revision:

- Reinforces your learning
- Identifies any weak areas
- Bolsters exam confidence
- Checks your understanding
- Helps you to identify how subjects fit together to create the wider picture

Why does the revision conference help?

This conference is delivered by teachers who know you and know what you are most

Why can't I just study on my own?

Sometimes, independent and unregulated study is not always very effective. There isn't always a dedicated peaceful space at home which can make study really tricky. Students are not always sure what to study - where do they concentrate their efforts especially at these later stages? Perhaps they aren't sure how to study- are notes better than flash cards? How long should a student revise for? Distraction and a lack of routine are the most common barriers to home revision.

Teachers can help you find a way around all of these things - they are the experts!

Although you'll of course need to do more than your revision session in school, this conference is a great way to learn:

How to organise your time

Where to direct your study

How to focus

How to stay on track

Ask any last minute questions

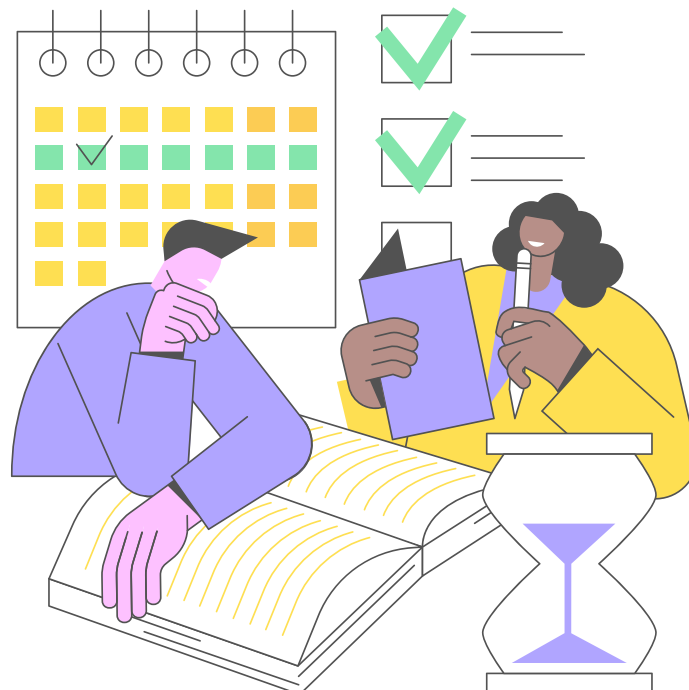

Consolidate all of your subject knowledge

The Year 11 Programme

Day	Time	Subject	Teacher	Room	Information
April 7th	10am -3pm	Music & Music tech	Mr Hampson	A11	Year 11 (&13)
	9.30am -3pm	Media	Mr Lavington	E11	All year 11

	10am -2pm	English Lit	Mr Daniell	E4	35 spaces only

How to book

1. Head to Frog
2. Scroll to the tab 'Easter Revision Booking'
3. Choose the appropriate session and hit book
4. Keep an eye on ClassCharts. This is where you'll receive up to date information and a reminder about the session you have booked.

If a session has been removed from the booking form, it probably means it is full. **Remember not to double book yourself and only book sessions you intend on coming to.**

On the Day

There are a few pieces of information we would like to make sure you know.

Uniform: You definitely do not need to wear your uniform.

Stationery : Please bring anything that you would normally take to school, especially your pens, calculators etc.

Start time: Please arrive on time so the teacher can start your session promptly.

As much as we know you love being in school, you'll need to leave the site when your session has finished.

Food on site: The canteen is closed. Please bring snacks and a drink (or lunch) if you are staying all day.

If you have free school meals, we will be providing a cold lunch and snacks. Please collect this from E11 each day. We need to know numbers, so please fill in the google form that you'll receive in ClassCharts.

ClassCharts: For all up to date information and room changes, please check ClassCharts. We will communicate any last minute changes here.

First aid: There will be no first aid on site. In the event of an emergency we will call home and an ambulance if necessary. It is really important that you are registered with a teacher so we know you are on site.

'Ace Your Exams' Workshop

This is an exciting opportunity to learn from the best.

Elevate is an industry leading specialist on all things exam related. Elevate has worked with thousands of students for over 17 years. The 'Ace your Exams' workshop will help you to prepare for your exams and is delivered by people who know exactly how you're feeling right now.

How 'Ace your Exams' will help:

- Overcoming any weaknesses in the lead up to exams
- How to use exam study groups
- Stress management techniques and prioritising wellbeing
- Study routines when you have study leave and holidays

'The programme would get a personal rating of 10 - it was well presented and personally, I think the information provided will help me greatly. I wouldn't change a thing about the programme. It pulled my attention 100%' Tyler.

There are ONLY 30 spaces available in each session so you'll need to book quickly (through Frog) to secure a slot.

To check out Elevate online head to: www.ukelevateeducation.com
