Dear Parent/Carer

**Re: University and Apprenticeship Fair - 1 March 2023**

Frome College have organised a trip for Year 12 students to visit the University and Apprenticeship Fair at Ashton Gate, Bristol **on Wednesday 1 March 2023**. This is a fantastic opportunity to meet representative from different Universities and companies promoting their apprenticeship schemes. The fair will also be running a range of seminars including personal statement and application advice, choosing a university course and student finance. As there are only 50 places available on the trip, places will be allocated on a strictly first come, first served basis.

We will be travelling by coach to Bristol, leaving Frome College at 9am, and we will be back at approximately 2pm. Students should bring a packed lunch and drink with them, as I am not sure what opportunities there will be for them to purchase food and drinks at the Fair. The **trip is free** to attend but will require your consent for your child to attend the event.

The visit will be covered by the normal Somerset Education Insurance Policy. Please be aware that:

- Except for visits abroad insurance arrangements are the same as for pupils in school, i.e. that the Authority only provides cover against proven or agreed negligence by the Authority and its employees.
- You should consider making your own insurance arrangements for personal accident cover for your son/daughter for school activities in the UK.

If your child would like to attend the trip, please complete the consent form on Parentpay. Please ensure that we have your up-to-date emergency contact details and any relevant medical information as this information is taken from our college database.

Once you have secured a place on the trip via Parentpay, please ask your child to register their details to the following link so that the University and Apprenticeship Fair can create a unique QR code for them, so that they can enter the fair. <https://www.ukuniversitysearch.com/fair-signup/bristol-spring-2023-2>
